Company Information

We are strong in medium to high quality products with sophisticated design, fancy washing and printing (including digital printing) at competitive prices. Enzyme wash, tie-and-dye, dip-dye, pigment-dye and embroidery techniques are widely applied on our apparel products, which have earned a high reputation from our customers of the world.

Services offered: our company provides fully integrated manufacturing solution and support to our customers: from fabric sourcing, trims and accessories procurement, sample development, production, quality assurance, packaging to delivery.

Production base: Dhaka, Savar, Gazipur, Narayangonj and Chittagong
(Working with approximately 21 factories)

Our usual business process as follows:

1. Clients send us the samples.
2. We make quotation to the clients.
3. Clients accept the price, and then we make the counter samples and send to the clients for feedback.
4. Clients confirm the samples and place the order and open the L/C or T/T.
5. We make the correct samples with print, embroidery etc for approval.
6. Production
7. Shipment

TRADE TERMS

MOQ: In terms of value, we require a minimum shipment value of USD 5,000 per shipment. For order quantity minimums, please see each individual product section for further details.

Our lead times: After order confirmation, we require 20 days for approval sampling, which involves making up samples in correct sizes, colors, and fabrics, for approval. Upon confirmation of the samples, about 45/60 days are required for production,
